Mrs. Maria Ferra Mosqueda Calle Obraje #7 Mexico 3, D.F. Mexico

Dear Mrs. Mosqueda:

Your address was given to me by mutual friends, when I asked them earlier this year for the name of a trustworthy person in your country. My interest is to establish the possibility around the time of the Olympic Games for a Mexican address to be made available for our listeners in the Soviet Union.

If you agree, we would like to be able to use your address from next April through the summer of 1968. (Enclosed you will find a brochure introducing you to Radio Liberty.) Your agreement is subject to the understanding that all mail which you might obtain from Communist countries would be forwarded to us unopened. (We have many years' experience in opening mail from Communist countries which enables us to draw conclusions from the way envelopes are sealed and from the postal cancellations.) As a compensation for your services, we will pay you upon receipt of your agreement to our above specified terms US \$10 from January 1, 1968 increasing to \$20 during the time we use your address and \$1 for each item of mail which you forward to us.

In expectation of your reply,

Sincerely,

MR:ss
